DRAFT Meeting Minutes Cedar Rapids Public Library Board of Trustees January 2, 2025

Board members in attendance: [President] Monica Challenger, [Vice President] Jeremy Elges, Ana McClain, Chris Casey, Elsabeth Hepworth (in person); Hassan Selim, Jade Hart (via Zoom)

Board members unable to attend: Rafael Jacobo, Susie McDermott

Staff in attendance: Dara Schmidt, Jessica Musil, Amber McNamara, Erin Horst (in person); Patrick Duggan (via Zoom)

Others: Charity Tyler, Executive Director, Cedar Rapids Public Library Foundation (in person); Libby Slappey, President, Friends of the Cedar Rapids Public Library (via Zoom)

- A. Call to Order
 - Ms. Challenger called the meeting to order at 4:01 pm.
- B. Consent Agenda **Action**
 - Minutes: December 5, 2024

Ms. Casey moved to accept the consent agenda. Ms. Hepworth seconded. The action carried with unanimous approval.

- C. Public Comments and Communications
 - There being none, the meeting continued
- D. Foundation Report Charity Tyler
 - Ms. Tyler reported. The year-end fundraising appeal was sent to over 900 households and at this point, the fundraising goal has been exceeded. In addition, the Foundation received a number of Big Dreams appeal cards, which were also returned by the end of the year. Co-chairs, Libby Slappey and Lois Buntz, sent an appeal to the Wise Women Circle, which received approximately \$210,000 from ten donors alone. Ms. Tyler expressed appreciation for the co-chairs' leadership.
 - The hope is to close-out the capital campaign by the end of this fiscal year and move to donor stewardship. One way that Ms. Tyler is celebrating with donors is to 'ring the gong' at businesses and organizations. Ms. Tyler started a tradition of ringing the gong for staff to announce large gifts. Donors heard about this and requested to join the celebrate. Ms. Tyler and Ms. Schmidt are scheduling visits; in addition, they will host a lunch and learn at the library with donors and corporate leaders for updates as well. The Wise Women Circle is planning a spring gathering.
 - Conversations have started to design the donor wall in the new Westside Library.
 - The Brewmaster for a Day opportunity sold for \$2,000 in an online bid; proceeds will benefit the capital campaign. In the next few weeks, the Foundation will make a splash about the winner and the brewmaster date at Lion Bridge Brewing.
- E. Friends of the Library Report Libby Slappey
 - Ms. Slappey reported. At this time, the Friends do not have an impending sale to plan
 except a special children's book sale at the Dolly Parton's birthday party event at the
 library on January 18.
 - Amazon sales continue to be strong for the Friends. December was a record month for sales, earning almost \$2,000 in used books' sales; the year total was just under \$10,000. A small team of volunteers sort through books and identify those that could sell on Amazon. Online sales started several years ago with a small selection online at a time; now, they have approximately 3,000 books for sale.
 - Ms. Casey asked about fees to pay Amazon in order to sell online. Ms. Slappey reported that there are several fees, such as a marketplace tax, transaction fee, and selling fee.

 Ms. Casey asked if the Friends share with donors about how their donated books turned into successful sales for the Friends. It's difficult to do that in most cases as a majority of the books are donated anonymously. Ms. McClain thought it might be fun to highlight Amazon sales and its impact on the Friends' earnings through social media.

F. Library Board Committee Reports

- Advocacy Committee Elsabeth Hepworth, Committee Chair
 - Ms. Hepworth reported. At this time, there is nothing new to report other than a reminder that the committee will follow the legislative session and ways to advocate for libraries during that time.
- Building Committee Jade Hart, Committee Chair
 - Ms. Hart reported. The committee is looking forward to a design meeting with Fehr Graham for initial concepts for the downtown library's Urban Plaza refresh project next week.
 - Ms. Schmidt reported on that morning's Owner/Architect/Contractor meeting for the Westside Library. The contractors are working around temperature fluctuations to provide frost protection for the poured basements. In addition, structural steel beams are on-site and hope to be erected in the basement. With the anticipated cold, however, they don't think much work will occur in the next week. The team continue to work through multi-step processes to discuss and study project drawings and potentially modify them to produce the best option.
- Finance Committee Chris Casey, Committee Chair
 - Ms. Casey reported. The Finance committee did not meet in December. Finances so far in the fiscal year appear to be normal and on track as expected. Ms. Casey shared appreciation for the oversight by City Finance to pay and manage bills or the Westside Library project.
 - o Ms. Schmidt noted that the formula for tax rollbacks was released last month and it was enough of a concern that each City department was asked to reduce discretionary spending by 3%. The library does have the ability to move money between line items so it will be a combination of reductions in multiple lines, which Ms. Schmidt will share with the Finance Committee. The expectation is that the 3% reduction will be permanent for all departments. At this time, this will be the first step of reductions without understanding full impacts of tax changes. In addition, the City is significantly reducing CIP funds. Ms. Schmidt is advocating to keep book funds, which are CIP paid as designated by the City, as is. The industry standard is to spend 10% of budget on materials. Ms. Schmidt hopes to slowly increase the book budget but is cognizant of budget constraints for the City.
 - The Library's Union through CWA will open for wages negotiations at the end of January. The Library, as with other departments, will be told the maximum increase amount we can negotiate.
- Personnel and Policy Committee Susie McDermott, Committee Chair
 - Ms. Schmidt reported for Ms. McDermott. The committee did not meet in December as well. However, they have been aggressive in covering the accreditation review for policies and are still comfortable to meet accreditation deadlines.

G. Library Director's Report

- Ms. Schmidt reported. At this time, libraries are preparing for potential discussion and action regarding public libraries at the federal legislative level. With the lowa legislative session, it is suspected we'll see more public library-related bills as well.
- In April, Ms. Schmidt will participate in an American Library Association (ALA) advocacy event, meeting with national leaders to advocate for libraries. Travel expenses are paid for

- by ALA. Ms. Challenger gave Ms. Schmidt permission to miss the April board meeting, Ms. McNamara will cover the meeting in her absence.
- The Library is meeting with most of the staff in small strategic planning sessions, which should end by early February. Ms. Schmidt would like to conduct strategic sessions with the board as well. Her plan is to take time in committee meetings to go through the exercise in January and February. She will follow-up with any individuals who were unable to attend committee meetings in those months.
- Ms. Schmidt thanked the board and her team for support in the past month.
- H. Old Business
 - There being no old business, the meeting continued.
- I. New Business
 - There being no new business, the meeting continued.
- J. Adjournment
 - There being no further business, the meeting adjourned at 4:41 pm.

The next Board of Trustees meeting will be held on Thursday, February 6, 2025, at 4 pm in the Conference Room, Downtown Library

Subject: January Meeting Financial Report

December Financials:

151 - Operations

At 50% of the way through the year, revenue is 57% collected. Expenses are slightly over at 51% due to annual cost contract spread. There are no specific concerns at this time.

316 - Westside Library

OPN is requesting a contract amendment to increase their fee by \$129,500 for additional services due to increased scope of the project. Positive funding projections and lower than expected construction bids have lead to items returning to the project that had previously been removed for cost savings. With these additions, OPN's workload has increased and this request is within the scope of current budget.

The pay applications for December and January are included in the packet for transparency.

Linn County Contract

The annual Linn County contract is included for approval in the packet for \$79,161.50.

FY26 Budget

151 - Operations

- Revenues increased by \$12,575 to \$841,922. The increase is for additional billings to Foundation to cover actual costs.
- Expenditure budget increased a total of \$336K, with most of the increase from Personal Services budget. This includes a 3.5% increase for bargaining staff.
 - Personal services budget is already reduced by refresh of \$206,700, \$20K was reallocated to transfer out to cover the final year of FMS project management of new Westside Library.
 - Discretionary reduction of \$86,192 is offset by increases in Other Expenses for routine charges for Fleet, Facility and Insurance.
- No funding increases were approved.
- All City Departments reduced discretionary expenses by 3%. Library both increased revenues and decreased expenses. Marked as "Includes Budget Option" on spreadsheet
- Things to continue to watch throughout FY26
 - 422001 State Operating a bill has been proposed that may change this funding.
 Currently budgeted at \$115K. Library would have to make up any shortfall
 - 423000 Local Govt MLN is currently in an RFP process. Revenue will change based on that contract in January of 2026, halfway through the fiscal year
 - 511100 Regular Employees continuing to examine each open position to set us up for success going into Westside as we will likely maintain relatively flat budgets for the next few years

7010 - Special Revenue

- Total expense budget of \$579K includes personal services budget of \$188K and discretionary budget of \$391K.
 - o There is enough fund balance by project to cover the expenditures above revenues.

316 - CIP

 Includes \$500K general obligation bonds for circulation material for project 316750 & the budget for Westside Library.

LIBRARY SERVICES CONTRACT

THIS AGREEMENT is entered into by and between Linn County, Iowa ("County") and the Cedar Rapids Public Library Board of Trustees ("Library") under the following terms and conditions hereby mutually agreed upon by the parties:

- 1. This Agreement is made pursuant to Iowa Code Chapter 336.
- 2. Library agrees to provide library services to all Linn County residents living outside of incorporated cities on the same terms and conditions, including fees, as it provides library services to residents living within the corporate boundaries of Cedar Rapids, Iowa.
- 3. County agrees to contribute an amount not to exceed \$79,161.50 to Library for library services.
- 4. Library shall not use the County's contribution to reduce the Library's funding level from the City of Cedar Rapids, nor shall the contribution by the County, or any portion thereof, be used to provide services or purchase materials or equipment to be accessed solely by residents living within the corporate boundaries of Cedar Rapids, Iowa. A violation of this paragraph will be considered cause for termination of this Agreement.
- 5. The contribution by County for library services as set out in Paragraph 3 shall not exceed one-half of the amount contributed by the City of Cedar Rapids for the same period. County may require Library to provide a report of its annual budget, purchases, and expenditures as well as a summary of services provided before disbursement by County of any installment. Noncompliance with the terms of this paragraph may affect the amount of the contribution set out in paragraph 3 and may be considered cause for termination of this Agreement.
- 6. Pursuant to Iowa Code Section 336.19, this Agreement may be terminated at any time by mutual consent of the contracting parties or in any other manner provided by law.
- 7. Each party to this Agreement represents and warrants to the other that:
 - a. It has the right, power, and authority to enter into and perform its obligations under this Agreement.
 - b. It has taken all requisite action (corporate, statutory, or otherwise) to approve the execution, delivery, and performance of the terms and conditions of this Agreement, and this Agreement constitutes a legal, valid, and binding obligation upon itself and in accordance with its terms and conditions.

IN WITNESS WHEREOF, the parties hereto have hereunto affixed their signatures.

Internet and Computer Usage

The mission of the Cedar Rapids Public Library is to connect people to information, experiences, and services that enhance their quality of life so our community can learn, enjoy, and thrive. We do that by providing the public with timely access to information through a wide variety of materials, appropriate technology, and a well-trained staff. A goal of the CRPL is to enhance its existing collection in size and depth and provide opportunities for any citizen who wishes to explore the Internet at the library.

The Internet is an unregulated medium. It offers access to a wealth of material that is personally, professionally, and culturally enriching to individuals of all ages, but it also allows access to some material that may be offensive, disturbing and/or illegal.

The library cannot control or monitor the vast amount of material accessible from computers and the Internet. As with printed material, not all sources provide accurate, complete or current information. It is the responsibility of individual users to evaluate the validity of all information found.

The Cedar Rapids Public Library assumes no responsibility for information accessed while using the public computers. Library staff will not control or endorse specific information found on the public computers. Staff cannot control the availability, accuracy, or currency of information links that may change rapidly and unpredictably. Library users accept the risk that websites may include explicit or otherwise offensive material. It is the user's responsibility (or that of the parent or guardian) to determine what is appropriate. Library staff respect the privacy and intellectual freedom of all patrons in accordance with our guiding principles, and will only intervene if content is believed to be illegal or violate Library or City policy.

The library affirms the right and responsibility of parents or guardians to guide, determine, and monitor their children's use of library materials and resources. Parents or guardians, not the library or its staff, are responsible for the information selected and/or accessed by their children.

The library will manage the use of the Internet in a manner consistent with all the library's policies, including Behavior and Unattended Children, which are available to view at any time through the library's website. Failure to use the Internet appropriately and responsibly, as defined in the Computer Usage Rules and Regulations agreed to at sign-on will result in suspension of computer use privileges and possibly library privileges.

Library Access for Sex Offenders Convicted of Sex Offenses Against Minors

See also related policy 3.04, Behavior Policy.

It is the purpose of this policy to ensure that the Library is in compliance with Iowa State law (692A.113).

Before granting access to the real property of the library in accordance with the law, the library director will consult with the Board President or member of the Board's leadership team if the president is unavailable.

If not granted access, registered sex offenders convicted of sex offenses against minors may be eligible for library service, depending on their residence address. They may register for a card directly with the Branch Manager, Public Service Manager or designee via telephone or email. At the time of registration, the applicant may make arrangements for a person of their choosing to select, check out, and return materials using that card. They may also receive information via telephone reference services or by use of the library's web site and online databases from home.

Violations of this policy will be immediately reported to law enforcement and violators will lose all library privileges.

A copy of that law is attached to this Policy for reference.

Programming returned to its "normal" program schedule in January, after last month's quirks of no school and bad weather. Traditional library programs such as Early Learning Story Times continue to attract enthusiastic audiences. Some special events made their way onto the calendar as well – we welcomed University of Iowa Football player (and Cedar Rapids native) Ethan Hurkett for a special Saturday Story Time, and celebrated Dolly Patron's Birthday with the Library Foundation and 250 of our closest friends!

The Winter Reading Challenge was a huge hit, with record numbers of participants, completions, and minutes read (nearly half a million minutes in just 31 days!) The Opportunity Center continues to expand the great work that is happening, with an expansion of the Conversation Classes and once again hosting VITA tax assistance multiple days and times each week for all of tax season.

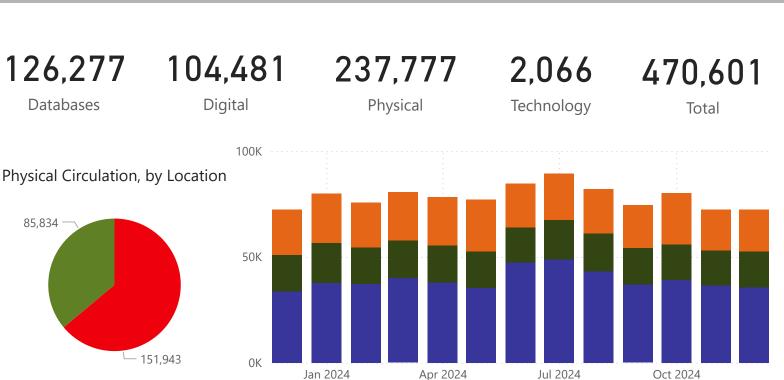

I was doing a roving loop through fiction greeting patrons when one of them called after me and asked if I was good at math. I stopped, turned around and said yes I am! I walked back to the table where she was obviously doing homework and she proceeded to tell me that she is working on completing the final class she needs to complete her GED. She was mad at herself for waiting so long as math had always been tough for her. I commended her for working toward completion and asked to look over the problems she was struggling with. Together we read through the assignment, I explained areas of confusion and supported her as she completed the work. She was so happy to share her struggles and story with me and so appreciative for the help. We high-fived and she promised to let me know when she gets her GED - Kara McCoy, Patron Services Specialist

While I was shelving in the children's section, a young patron asked me if I could help her find a book. She didn't know the title, but she knew that the book had a pink cover with a doughnut on it. When she started describing the plot, I knew she was talking about the picture book "Arnie the Doughnut", which I was familiar with from the elementary school I work at. When I said the name of the book, the patron recognized it instantly, and after solving the mystery, we put it on hold for her. - Elizabeth Gardner, Public Service

The Materials Department is shifting into acquisitions for Spring and Summer. Our Materials Librarians, who handle selection, will typically order materials several months ahead of their release to make sure our copies are reserved with our distributors. Depending on the anticipated popularity of the author or title, some materials may be ordered up to six months ahead of time. We add bibliographic records to our catalog when the materials are ordered so that patrons can start placing holds as soon as possible. Many of our patrons follow their favorite authors on social media and know when their next release is expected so they love being able to get their place in line early. Our bid process for the Integrated Library System continues and the committee should be able to have a decision in the next two months. Our current software contract is ending in December 2025, so we have plenty of time to make the decision.

While I was shelving Holds I said hello to a patron who was picking up a big stack of books that were being held for her. She said to me: "Thank you for this (holds) service, it's so helpful, I really appreciate having it. I'm a preschool teacher and I choose books each week for my curriculum, place holds for them, and then stop in to pick them up. You make it so easy and convenient. Thank you." I thanked her for sharing that with me and told her I was very glad she was able to take advantage of the Holds service. - Jo-Ann Cook, Public Service Associate

Volunteer Hours

A year in the making, we launched the online New Volunteer Orientation process, which will allow volunteers to complete the bulk of their orientation process via Niche Academy with videos, handouts, knowledge checks, and open-ended questions. In January our first set of volunteers completed the orientation and then attend an in-person session. We are excited for the opportunity to streamline this part of the onboarding process for our volunteer and for our staff. Volunteer Hours in December 2024: 386

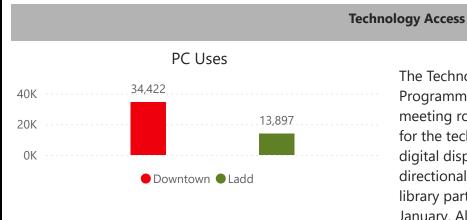

Starting in January, Public Service has seen an increase in patron assistance for tax information and other government forms that need recertification this month. Staff do an amazing job in helping patrons during these times and we have received patron compliments regarding the assistance staff provide with life changing services. Additionally, the Public Service Leadership team is actively reviewing 2024 Behavior Data looking for patterns and trends. We will use this information to ensure staff have adequate tools and abilities to handle common situations we see in the library using our KERA Framework.

We have a 7-year old patron who comes in several times a week with her teen siblings. She spends a lot of time tagging after the older kids or sitting in the teen room where she is too young to sign into a computer. Recently the public service staff made an effort to connect with her and see what Library services we could provide, that she can take advantage of while being supervised by her older siblings. We told her about the Winter Reading Challenge and provided her with the coloring page signup sheet and some crayons that she can use while in the library. We found books on topics she is interested in and brought those over to the teen area.

When she completed her Winter Reading Challenge she was excited to show us how she colored her page and she was so excited about her mug. She said she had hot cocoa at home and was going to use her mug for hot cocoa. We told her what a great job she did coloring her page and we helped her check out some books to take home. She drew a picture as a present to staff to thank us for the Winter Reading prize. - Lisa Miles, Public Services Specialist

The Technology solutions team has been working with the Programming and Community Relations teams on the new meeting room and calendar software. This will mean changes for the technology showing meeting room schedules and digital displays. Patrons and staff use these daily for their directional needs and keeping the reservations moving. The library participated in our first City wide Alertus testing in January. Alertus is an emergency system intended to notify staff and law enforcement of a mass casualty event in city facilities. The testing went smoothly and there were no issues to report.

Certainly, the holidays and weather had an impact on reservations - both in terms of closures and also for people using the library for special events, specifically for holiday making and socializing. Over the month, we hosted approximately 2,690 patrons through 178 reservations.

Notably, The ARC of East Central lowa had a large-scale transition fair for youth transitioning to adulthood and steady employment opportunities. A family that lives in the neighborhood has created a karaoke program that they wouldn't be able to do anywhere else. We hosted a gallery opening for our Third Floor Gallery artist, Jack Hayes; an Indian classical dance performance; and two holiday concerts hosted by groups that use Whipple Auditorium.

Community Relations is excited to have the Spring issue of *OPEN*+ at the printer for the season. Spring is a very busy season at the library with a lot of big events and opportunities for celebration. We are looking forward to some additional support collateral for the summer reading challenge, so we're starting work on that soon. We are also working on the transition to our new meeting room and calendar software in a supporting role. It's exciting to see how this new event calendar will be received by the public, and we're looking forward to continuing to improve it.

On a Friday afternoon, I was at the Elevator desk when a group of regular teen patrons stopped by. I greeted them and got a typically half-hearted chorus of "hey" in reply. Most went upstairs to get on the public computers, but one lingered at my desk. He needed his card number. "How was your day, J?" I asked.

He shrugged. "It was okay. Glad school is over."

I nodded as I scribbled his card number. "You like the weekend?"

He rewarded my question with a wide, sincere smile. In terms of adolescent emotional expression, this is the same to me as winning the lottery. "Of course I do. It means I get to come to the Library." I returned the smile. "That's awesome, man. Good to see you."

He nodded, burying his smile again under standard-issue teenage dourness. Then he slouched up the stairs, back to being cool. Not too cool for the Library, though. - Tait Larson, Patron Services Specialist Board of Trustees February Packet: Page 24 of 26
